

```

$(function() {
    var elements =
    ":input[type=text]:visible:enabled,select:visible:enabled,textarea:visible:enabled";
    $(":input[type=text], select, textarea").keypress(function(e) {
        if (this.type == "textarea") {
            return;
        }
        var c = e.which ? e.which : e.keyCode;
        if (c == 13) {
            var jqObjects = $(elements);
            var index = jqObjects.index(this);
            if (index == -1) {
                return;
            }
            if (e.shiftKey) {
                index--;
            } else {
                index++;
            }
            var size = jqObjects.size();
            index = index % size;
            jqObjects.eq(index).focus();
            e.preventDefault();
        }
    });
});

```
